

CHIM CHIM

NEVER CHIM NEVER KNOW

Chim Chim is an Art-Inspired Social Diner.

Welcome to Chim Chim, a cafe and all-day hangout in Bangkok where quality comfort food and creative beverages meet vibrant art and design.

Open for breakfast, lunch, dinner and all-day brunch, Chim Chim serves homemade favourites elevated with creative twists.

Dishes are colourful, generously plated, wholesome and geared towards sharing – because the best meals, and moments, are shared.

A not-for-profit indie art space for rising talent

Situated just a stone's throw from Bangkok's CBD, Chim Chim is a vibrant new addition to the buzzing Siam art district and offers a rotating selection of multimedia works from Thai and international artists whether emerging or established.

The flexible space presents a clean canvas for a diverse display of creativity, which continues with an upstairs workshop space that encourages interaction between resident artists and the public.

The project features both curated and proposal-based exhibitions, which aim to build a network of creative minds and attract local foot traffic.
