KANOM CHAN

Acrylic on Canvas
70 x 100 cm.
75,000 THB

Description : I love kanom chan (Thai steamed coconut and pandan cake). As a kid, I would run after a dessert cart vendor just to have some. This artwork is one I created on canvas using a high-flow colour technique to highlight the many layers.

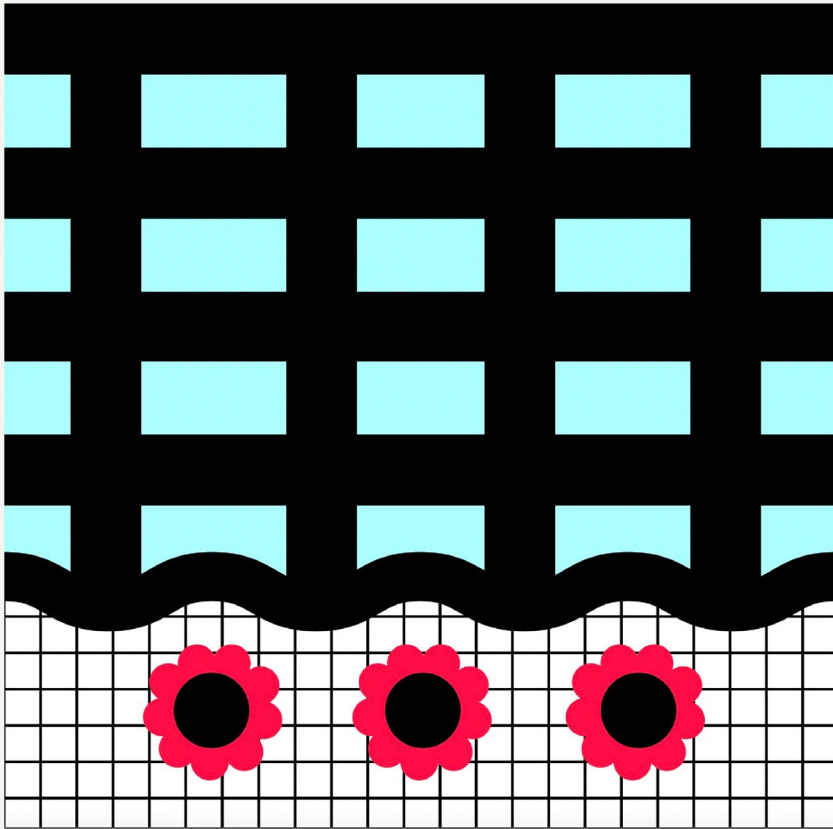

SUNDAY SMIELY 01

120 x 150 CM.
65,000 THB

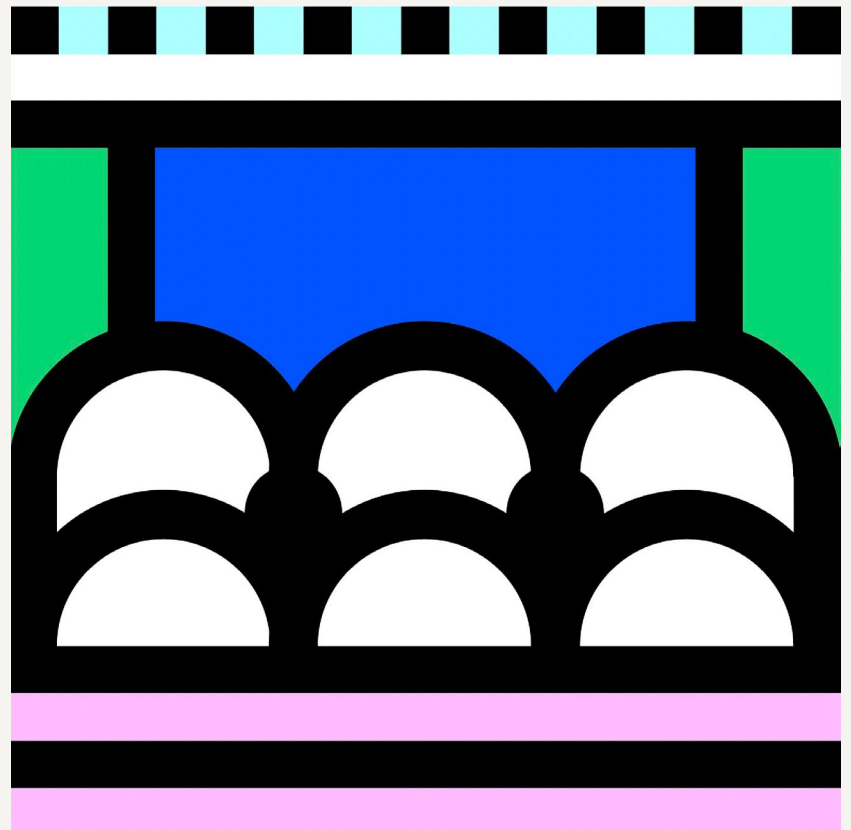

SUNDAY SMIELY 02
Acrylic on Canvas
120 x 150 CM.
65,000 THB

Description : There was a time in 2021 when there were many troubles in my life. So I wanted to create some works that would make me happy whenever I saw them. It's my way of healing and escape.

120 x 120 CM.
55,000 THB

CHILDHOOD MEMORIES 02
Acrylic on Canvas
120 x 120 CM.
55,000 THB

Description : I want to turn back time to when I was a kid with nothing to worry about, just running around following a Thai dessert cart or blowing super-elastic plastic bubbles.

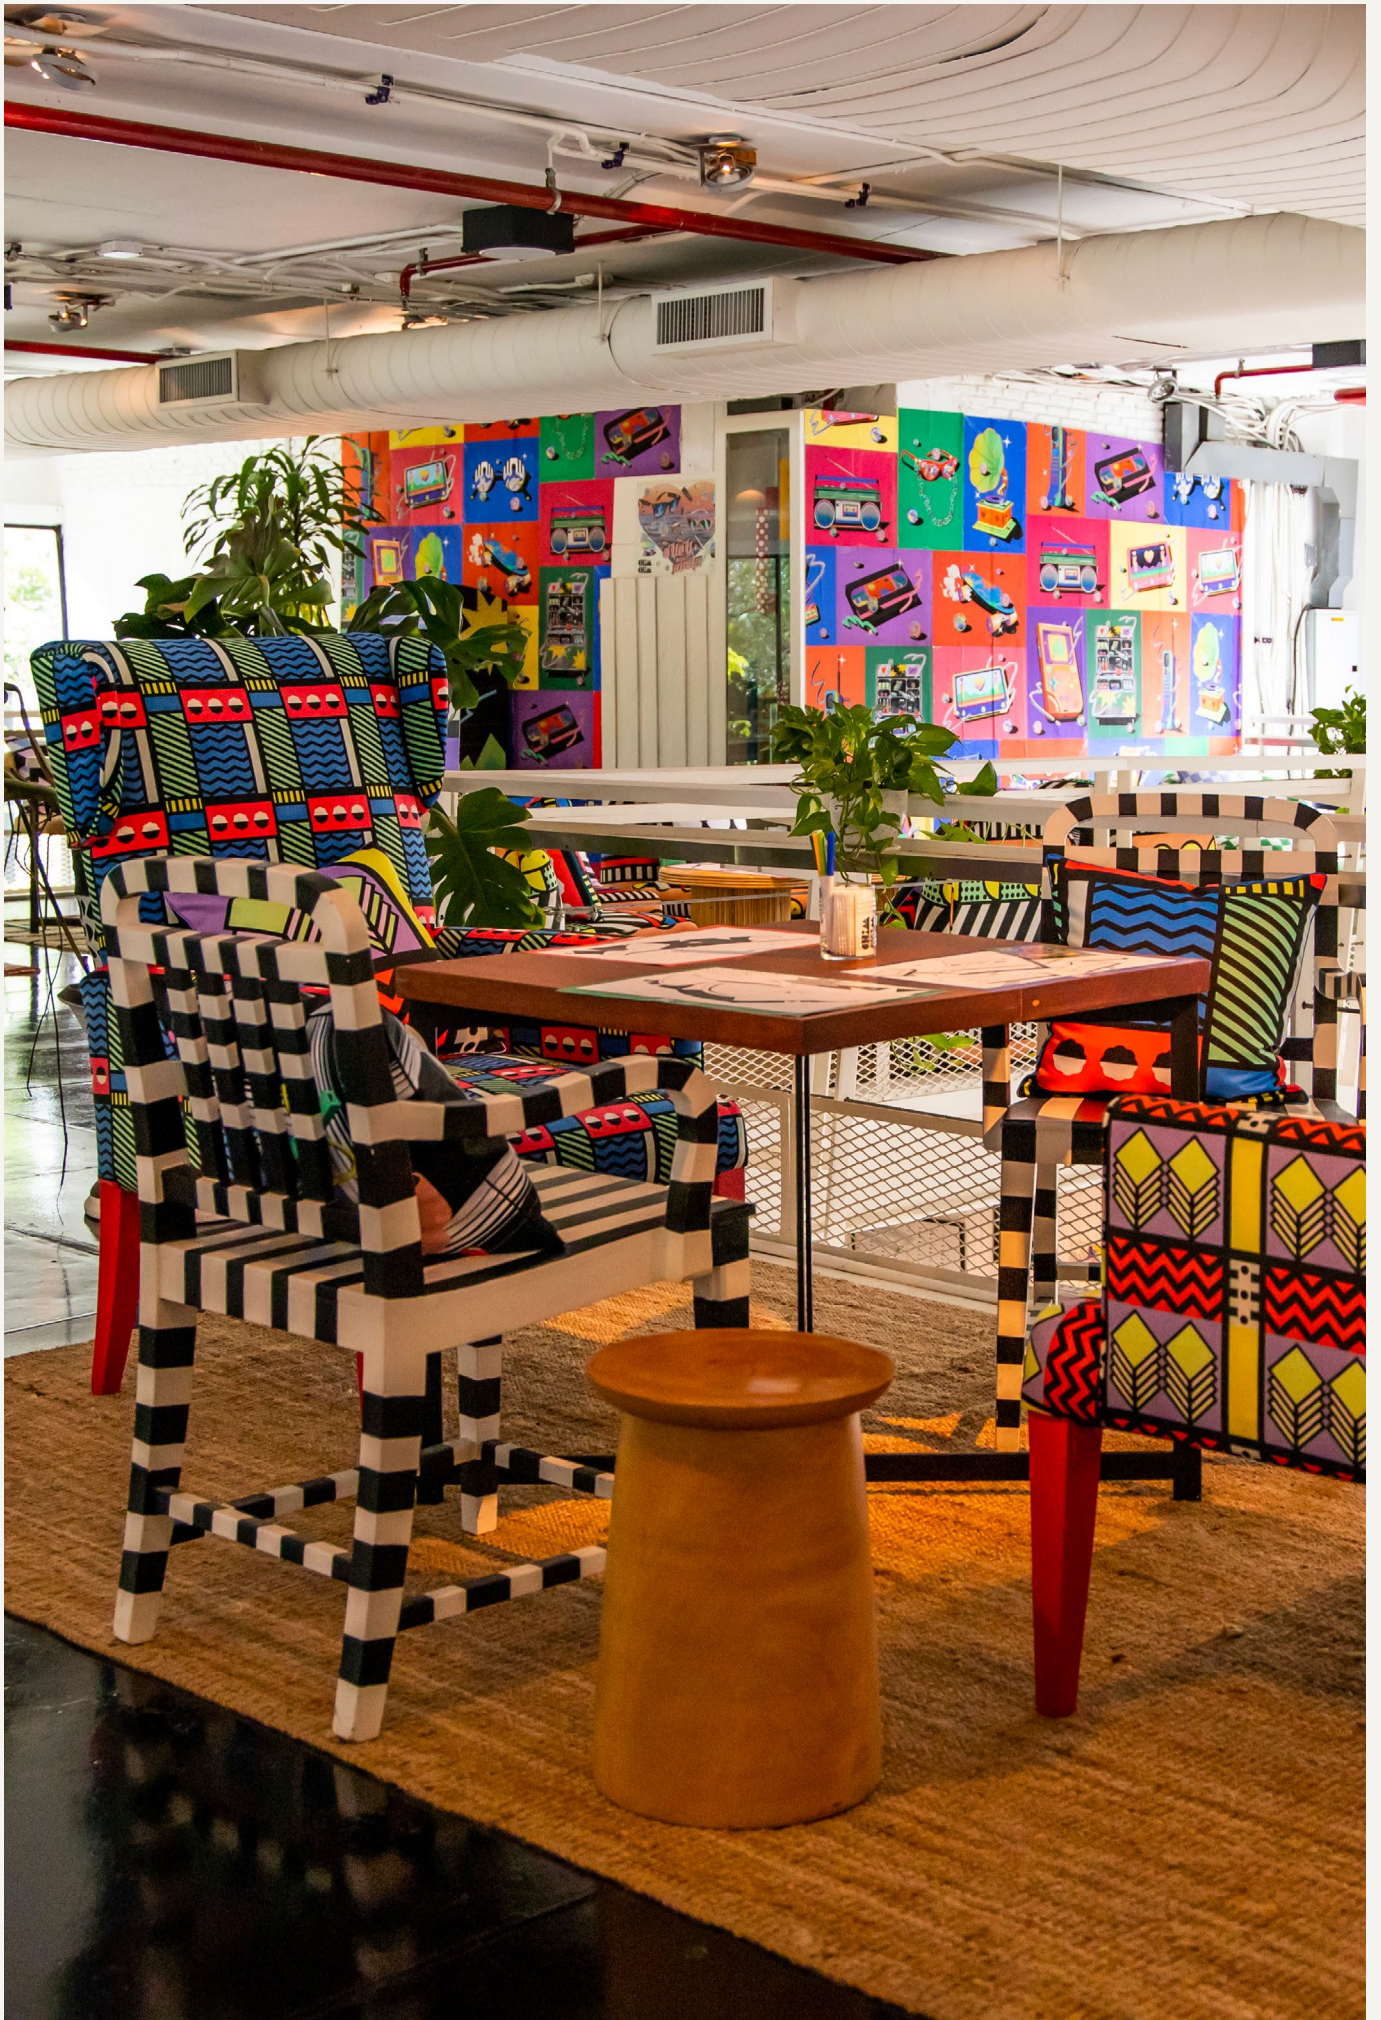

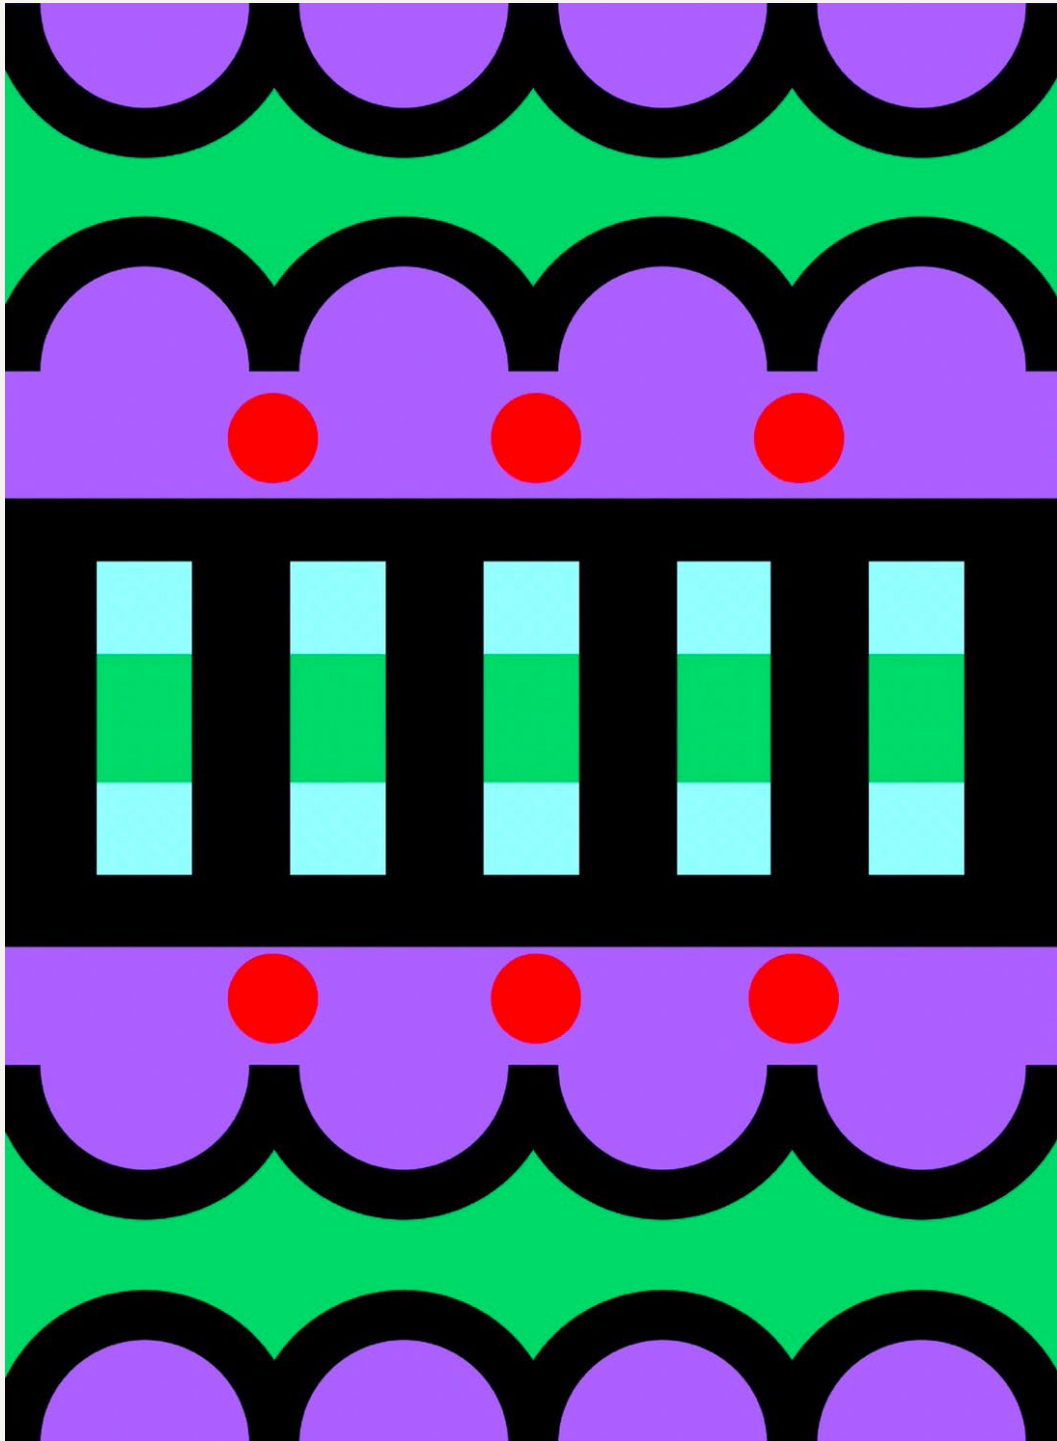

RAAN CHUM

Acrylic on Canvas
110 x 150 CM.
70,000 THB

Description : Again inspired by my favorite kanom chan (Thai steamed coconut and pandan cake). I've never used such a thick stroke before. But knowing Chim Chim's motto, which means to try', I thought I'd play around with color combinations that I have never explored. I'm just having fun. I don't care whether people will recognise it as my work or not.

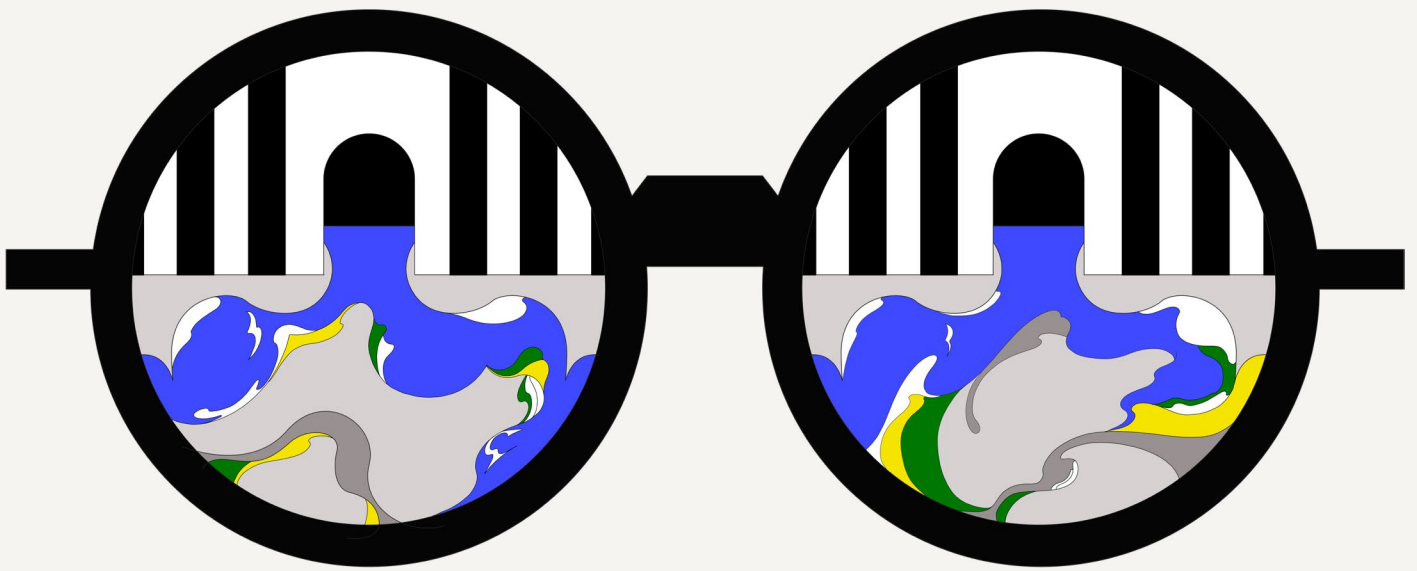

BISCUIT

Acrylic on Canvas
110 x 150 CM.
70,000 THB

Description : Inspired by the pineapple wafer snacks we loved to eat when we were young. I pulled the elements from my Happy People Studio team and deconstructed it in my own way.

SOB TA (EYE CONTACT)

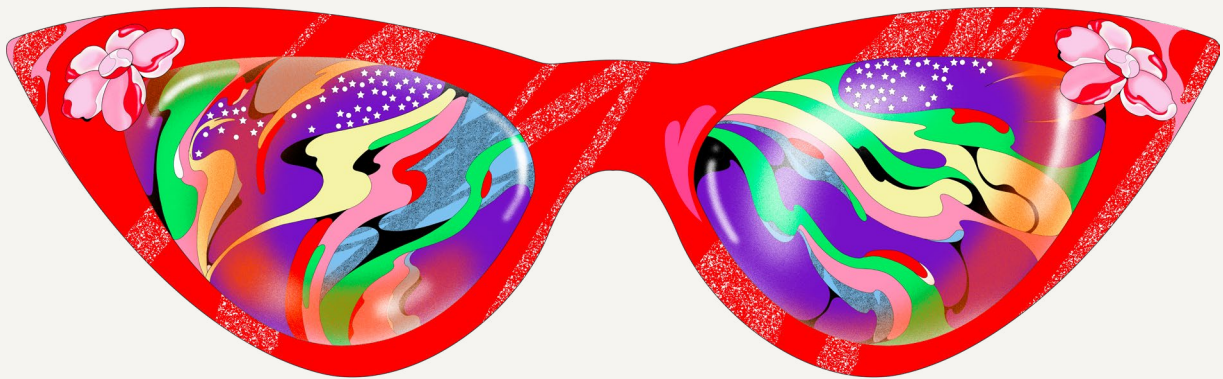

Acrylic on Canvas

150 x 46 CM.

65,000 THB

Description : Round glasses remind me of iconic figures like Willy Wonka or John Lennon. A lot of people consider my art to be quite feminine, but when I think of the characters who wear these round glasses, I think of more masculine or unisex vibes.

HEN TUR YOO NAI NUN MAI (RED)

Acrylic on Canvas
150 x 46 CM.
65,000 THB

HEN NGAO NAI TA CHUN MAI (WHITE)

Acrylic on Canvas
150 x 46 CM.
65,000 THB

Description : These glasses represent my memories of going to the sea with my family. My dad never swam. He just sat on the beach, so his glasses reflect the sea. My mom was a chic lady, a flight attendant, so her glasses have a cat-eye shape with patterns that reflect her kindness, cheerfulness and happiness.

DAY

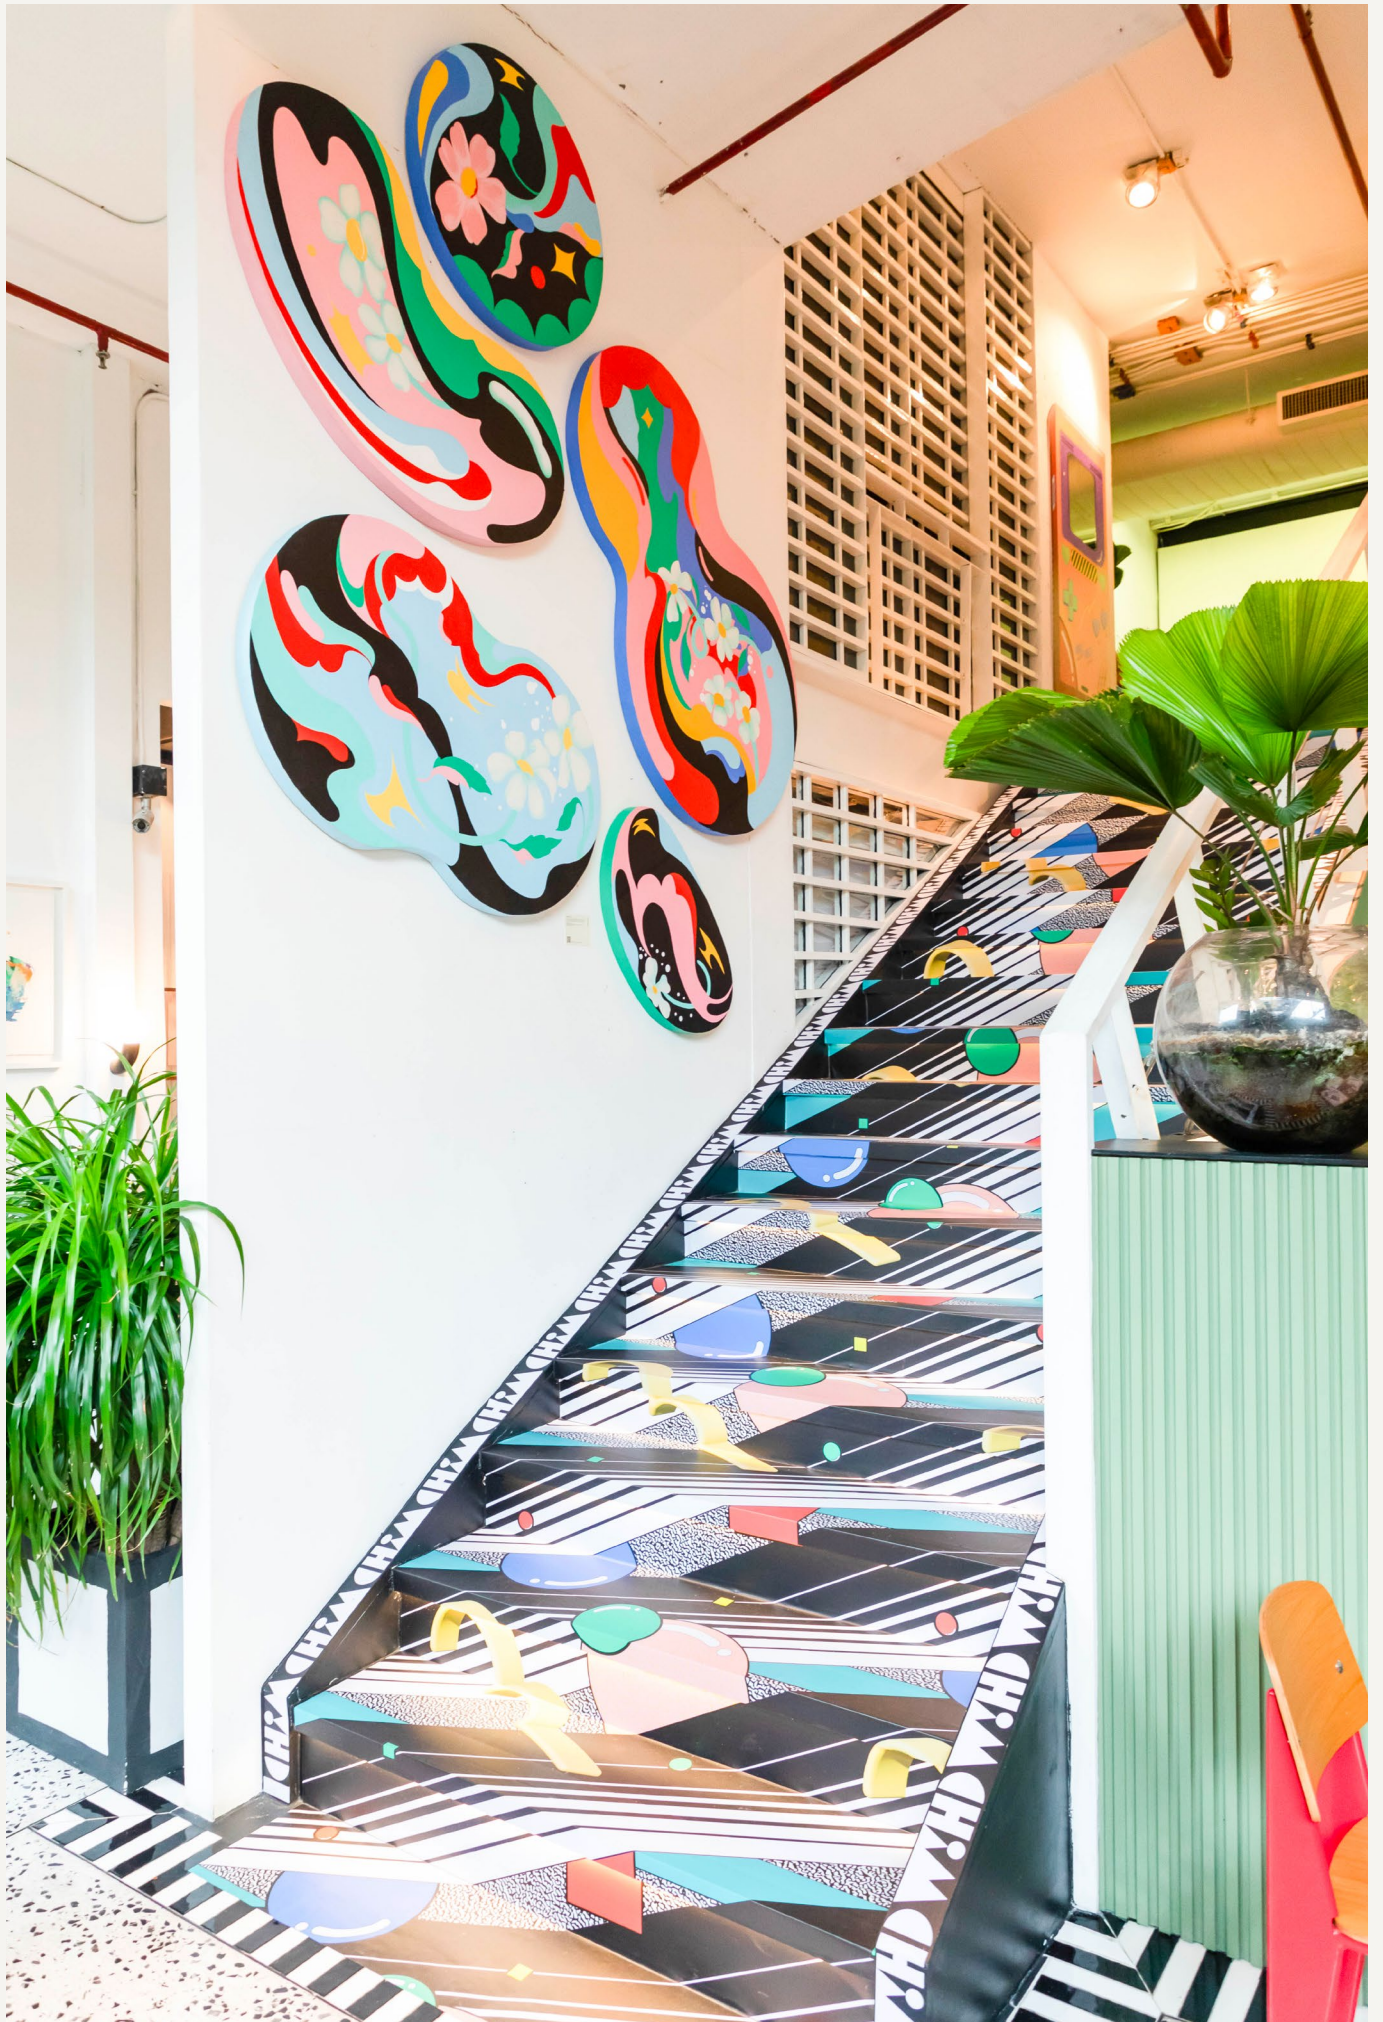

Acrylic on Canvas
100 X 170 CM.
150,000 THB

NIGHT

Acrylic on Canvas
100 X 170 CM.
150,000 THB

Description : To me, Wrap is home. Home is the first place that nurtures us to become who we are. When I look back, most of our quality time was spent during dinner together as a family. My home has a ritual where my dad is always cooking for us, and the dinner will be ready at 7 pm every day. We're sharing our days at school with mom and dad; they will be eaching us, supporting us and sometimes they will be angry at us. The conversation over dining is meaningful as it's become a fond memory, especially when my dad isn't around anymore. The ideas for this exhibition wrap around the story of my childhood and my family; I portray them through installations and painting on canvas.

COTTON CANDY

Acrylic on Canvas
70 x 100 CM.
75,000 THB

Description : It doesn't get more nostalgic than cotton candy. I love the way it's created from just a simple stick into what looks like a balloon. I used an interference technique that helps to create textures and layers of iridescent colour.

DREAM

Acrylic & Oil Pastel on Canvas
80 x 100 CM.
60,000 THB

Description : Personally, I think this is what i look like when i'm happy.

Happiness for me is the fact that i got to wake up and living my dream. It's nothing fancy or luxurius. Dream in this case is my ambition; the drive, the energy that keep me going for years. It's the goal and the people I surrounded myself with. This face is the energy I gave to my team every morning for they are also a big part of my dream and my daily dose of happiness.

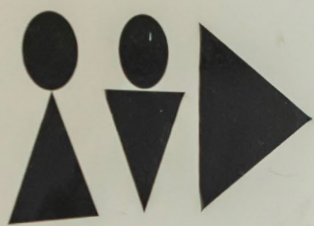

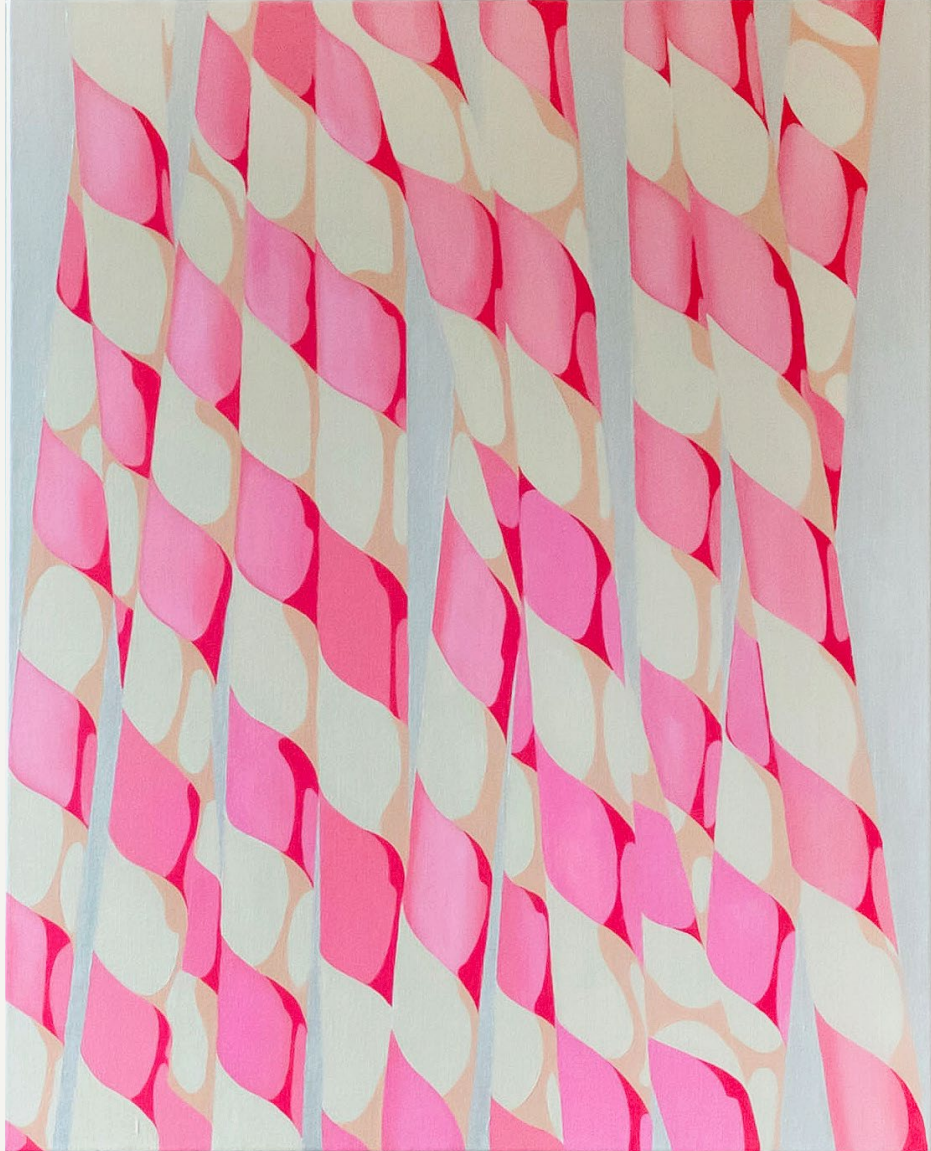

HALF GLASS

Acrylic & Oil Pastel on Canvas
80 x 100 CM.
60,000 THB

Description : glass half full or half empty ?

If someone sees the glass as “half full,” they tend to focus on the positive aspects of a situation, emphasizing what they have rather than what they lack. On the other hand, the glass can be viewed as “half empty” which portray dissatisfaction, or a tendency to dwell on something that can’t be undone. It’s within your own power to reflect upon your life and experience. Both ways are correct but very different.

OJO DUAY

Acrylic on Canvas

70 x 100 CM.

75,000 THB

Description : It's one of our favourite childhood snacks. It's the wafer stick that we call Ojo after the name of the label.

MEMORY MARBLES

Acrylic on Canvas (4 Pieces)

30 x 30 CM.

22,000 THB/Piece

Description : Watching the movie Inside Out, you see that our core memories are kept in marble balls. Each ball has a different colour depending on the type of memory it contains. Of course, growing up we would play with marbles as a toy, so I've used that as inspiration.

BLOOMING DAY

Acrylic on Canvas

70 x 100 CM.

75,000 THB

Description: There's something in the air of summer. It's the feeling of excitement and anticipation that rush my spirit into full bloom. There's a sense of freedom with thousand of adventure await.

LAZY SUNDAY

Acrylic on Canvas

70 x 100 CM.

55,000 THB

Description : Welcome to my rest day where I hid myself from the rest of the world. When i let myself loose, i often picked elements from my memories and painted them on a canvas as if it's my very own diary.

BEFORE THE DAY IS OVER

Song by Joji
Acrylic on Canvas
120 x 150 CM.
90,000 THB

Description : This was inspired from a song 'Before the day is over' by Joji. It was the only breakup song from the whole playlist that represent my Love, Life & Lyrics collection. Everything was so certain toward the end. You know what you should do and about to do. The bitterness and sorrow is unlike anything up to the point where you want to taste 'nothing' and just get it over with.

HOME

Song by Thee Chaiyadej
Acrylic on Canvas
120 x 150 CM.
90,000 THB

Description : A safe space, an ideal relationship, a home, these things for me is like waking up to the smell of freshly made cup of coffee. The moment where i walked out to my living room, seeing the faces of my beloved waiting for me to join them for a morning coffee. That is where i called home.

STRAWBERRY AND CIGARETTES

Song by Troye Sivan
Acrylic on Canvas
120 x 150 CM.
90,000 THB

Description : It's the beginning of a relationship. That sweet and sexy passion in their eyes that drawn the two lovers toward one another like gravity. It was during one of their many first dates at a bar. Sipping martini in a crowd, however for them time stops and nothing else really matter.

WHO'D HAVE KNOW

Song by Lilly Allen
Acrylic on Canvas
120 x 150 CM.
90,000 THB
SOLD

Description : This song 'Who'd Have Know' has always been my go to for when i have a crush. It's rather shy to say but it's like wondering what will be another person next move. Will our hands touch ? Is it gonna be a kiss ? you can't possibly know. It's annoying yet exciting at the same time.
